## Tomcat8 をダウンロード

1・Tomcat ダウンロードページで、8.5.60 → Core → tar.gz を選択

URL : <https://tomcat.apache.org/download-80.cgi>

The screenshot shows the Apache Tomcat 8 Software Downloads page. Red annotations highlight the following steps:

- A red box around the version **8.5.60** in the "Which version?" list on the left sidebar.
- A red arrow pointing from the **8.5.60** box to the **Core** link in the "Binary Distributions" section.
- A red box around the **tar.gz (gpg, sha512)** link under the "Core" section.
- A red arrow pointing from the **tar.gz (gpg, sha512)** link to the download link in the bottom sidebar.

A large black square with the Japanese character "あ" (a) is placed over the "Full documentation" link in the "Binary Distributions" section.
