The screenshot shows the Apache Tomcat 8 Software Downloads page. The page has a header with the Apache Tomcat logo and the Apache Software Foundation logo. A search bar is located at the top left. The main content area is titled "Tomcat 8 Software Downloads" and contains a welcome message, a "Quick Navigation" section with links to KEYS, 8.5.60, Browse, and Archives, a "Release Integrity" section, and a "Mirrors" section. The "Mirrors" section lists various mirrors, with the first one being "https://ftp.kddi-research.jp/infosystems/apache/". A red box highlights the version "8.5.60" in the "Quick Navigation" section. A red arrow points from this box to the "tar.gz (pgp, sha512)" link under the "Core" section. Another red arrow points from this link to the "tar.gz" link under the "Full documentation" section. A third red arrow points from this link to the "tar.gz" link under the "Source Code Distributions" section. At the bottom of the page, a red box highlights the download link "apache-tomcat-8.5.60-deployer.zip" in the download bar.
